In re: Aetna UCR Litigation Master Docket No. 07-3541

Dear Judge Hayden,

I wish to express my objection to the aforementioned class action litigation. My objection is based on the fact that the only winners in any class action are the ambulance chasers who initiate it. I believe that the “attorneys” should be prosecuted under provisions of the RICO Act for perpetuating these rackets.

On that basis, you may exclude me from this charade.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven A. Mannina", written in a cursive style.
